

This map was prepared by McEwen Group LLC and should not be used to determine exact boundary lines. Buyer should always get a survey to determine boundary lines

An aerial photograph of a wooded property. A thick blue line outlines the boundary of the land. The property is covered in dense green trees and vegetation. Several white contour lines are visible, indicating elevation changes. Four specific contour lines are labeled '250 m'. In the top right corner, there is a road and a small pond. A scale bar in the bottom right corner shows '50 m' and '200 ft'. A disclaimer at the top left states: 'This map was prepared by McEwen Group LLC and should not be used to determine exact boundary lines. Buyer should always get a survey to determine boundary lines'.
