PROPERTY DESCRIPTION

177 +/- Acres | Ohiopyle, PA | Uniontown Area School District

This remarkable 177±-acre tract offers nearly 3,000 feet of combined frontage along Greenbrier Road and Shaffer School Road, with excellent internal access provided by an established road system that includes a creek crossing. Adjoining thousands of acres of Pennsylvania State Game Lands, the property presents unmatched opportunities for hunting, recreation, and outdoor adventure. Whether you're seeking a private retreat, a long-term land investment, or a base for year-round outdoor pursuits, this property captures the very essence of Pennsylvania's natural beauty.

Located in the Uniontown Area School District, the property is just minutes from Historic Route 40, Ohiopyle State Park, the Youghiogheny River, Meadow Run, and other sought-after outdoor destinations.

The land is highlighted by a strong stand of white oak, red oak, red maple, and black cherry, with a recent timber report available from a licensed forester. Glade Run, a scenic mountain stream, meanders through the property, enhancing habitat and adding to its natural beauty.

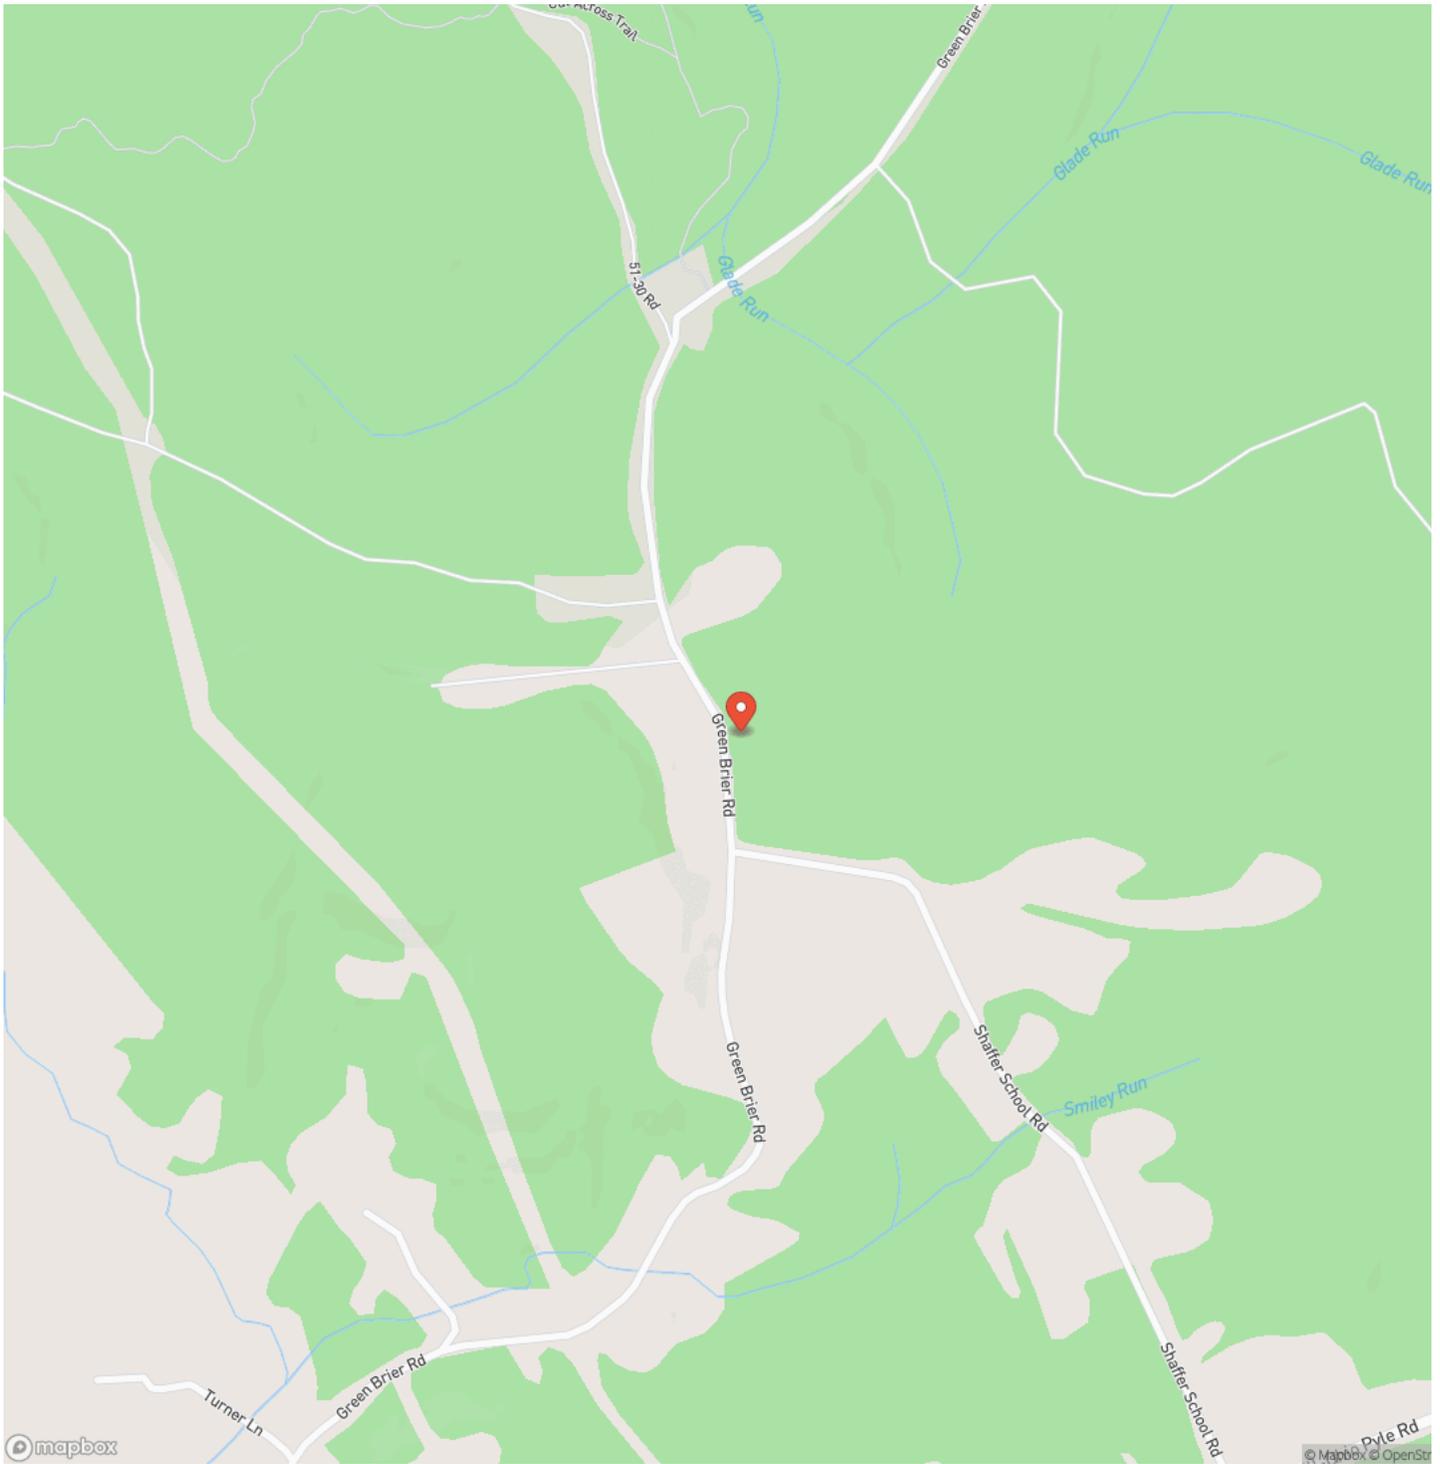

Abundant wildlife calls this property home, including whitetail deer, black bear, turkey, and small game. The mix of mature timber, brushy draws, and open areas well-suited for food plots—combined with rolling to sloping topography—creates a balanced environment of cover and forage, ideal for both wildlife management and recreation.

The seller is reserving oil, gas, and mineral rights; however, all surface rights will transfer to the new owner. Whether you're searching for a premier hunting retreat, a recreational getaway, or a long-term land investment, this Ohiopyle property offers endless possibilities.
