PROPERTY DESCRIPTION

The Historic Hill House & Farm is truly a one-of-a-kind estate. The property began with the meticulous restoration of the original 1885 farmhouse, constructed by J.C. Hill-the estate's namesake-which now offers four bedrooms and four and a half bathrooms. From there, the vision expanded with the creation of the Event Barn, built from reclaimed barns dating back to the 1840s and sourced from Canada and Pennsylvania, thoughtfully reimagined on the Hill House grounds. This remarkable structure spans more than 7,200 square feet and features over 1,200 square feet of covered outdoor veranda. With soaring ceilings, hand-hewn beams, a bar, and a dedicated dining area, the Event Barn is rich in character and architectural detail. The Red Barn serves as both a pool house on the lower level and offers two two-bedroom suites above, creating an ideal gathering space for warm weekend days and evenings. Set farther from the main hub of the property, the Cottages provide peaceful accommodations across two thoughtfully designed buildings, each featuring two connected suites complete with full bathrooms and kitchenettes. Completing the collection of living spaces is the Yurt, offering a "camping in style" experience that blends modern amenities with distinctive charm.

Each structure reflects exceptional craftsmanship and attention to detail; all set across 50 acres nestled near the Sam Houston National Forest. The possibilities for this remarkable property are endless - whether as a private estate, weekend retreat, wedding venue, or corporate destination. The choice is yours.
