PROPERTY DESCRIPTION

This 17.3+/- acres in Newton County, MS would make a great weekend getaway. It is located in a very rural community outside of Decatur, MS. This property already has power and water established, rather you are wanting to build a cabin, a home out in the country or some place to park a camper for those long weekends in the woods. The topography of this tract lays out well. When you first pull into the drive, you will notice you are on the highest point of the property. The rest of the land gently slopes down away from the homesite towards the hardwood bottoms on the west end of the property. This tract was cut about 2 to 3 years ago and could easily be turned into whatever you wanted. It could be great camp, small hunting spot, or just a place to get away. There is over 1,100 feet of road frontage on Hugh Hundall Road and this property is just minutes from Highway 15. Union and Decatur are short drives away, making a great spot for whatever you need.
