PROPERTY DESCRIPTION

If you're looking for a property that offers productive farmland with the added benefit of hunting opportunities, this Adams County tract is worth a look. The farm totals 41.97± acres, with 35± acres of productive tillable ground, making it a solid option for a farmer, investor, or someone wanting a versatile piece of ground. The farm is leased for the 2026 crop year, and the buyer will receive the cash rent, so income is already in place. Hunting rights will be open for the 2026 season, giving the new owner flexibility for personal use or leasing. Whether you're looking for an investment farm, a place to add to your operation, or a great tract to call your own, this property checks a lot of boxes. The bank blind and Muddy ladder stand may stay with the property at full asking price.

DISCLAIMERS

Information in this brochure is provided solely for information purposes and does not constitute an offer to sell or advertise real estate outside the states in which broker or agent licensed. The information presented has been obtained from sources deemed to be reliable, but is not guaranteed or warranted by the agent, broker, or the sellers of these properties. This offering is subject to errors, omissions, prior sale, price change, correction or withdrawal from the market without notice. All references to age, square footage, income, expenses, acreage, carrying capacity, and land classification, etc. are approximate. Prospective buyers are chargeable with and expected to conduct their own independent investigation of the information and the property and to rely only on those results. Sellers reserve the right to accept or reject any and all offers without liability to any buyer or cooperating broker.

Maps are provided for illustration purposes only, the accuracy is not warranted. Parcels on interactive maps are not adjusted to match aerial backgrounds. This information is for reference purposes only and is not a legal document. Data maps contain errors. The seller and seller's agent are making known to all potential buyers that there may be variations between the location of the existing fence lines and the legal description of the deeded property. Seller and seller's agent make no warranties with regard to the location of the fence lines in relationship to the deeded property lines, nor does the Seller make any warranties or representations with regard to the specific acreage contained within the fenced property lines. Seller is selling the property in an "as is" condition, which includes the location of the fences as they exist. Boundaries shown on the accompanying maps are approximate, based on county parcel data. The maps are not to scale. The accuracy of the maps is not guaranteed. Prospective buyers are encouraged to verify fence lines, deeded property lines and acreages using a licensed surveyor at their own expense.
