40 ac Homesite with Good Access, Power, Timber near Chipley, FL Chipley, FL / Washington County

PROPERTY DESCRIPTION

Beautiful 39.84-acre MOL homesite with brand new planted pine stand, good road access, and power on the boundary. The property is not far from the growing town of Chipley, in North Florida.

The property would make a great new mini-farm homestead, or small hunting property. The land provides easy access down to Florida's Gulf Coast, with benefits of country living. The property has a mix of new planted pine stands and mature natural pine and hardwood timber.

Give us a call today to schedule your tour.

DISCLAIMERS

Information in this brochure is provided solely for information purposes and does not constitute an offer to sell or advertise real estate outside the states in which broker or agent is licensed. The information presented has been obtained from sources deemed to be reliable, but is not guaranteed or warranted by the agent, broker, or the sellers of these properties. This offering is subject to errors, omissions, prior sale, price change, correction or withdrawal from the market without notice. All references to age, square footage, income, expenses, acreage, carrying capacity, and land classification, etc. are derived from sources believed to be accurate, but are approximate. Prospective buyers are chargeable with and expected to conduct their own independent investigation of the information and the property and to rely only on those results. Sellers reserve the right to accept or reject any and all offers without liability to any buyer or cooperating broker.

Maps are provided for illustration purposes only, the accuracy is not warranted. Parcels on interactive maps are not adjusted to match aerial backgrounds. This information is for reference purposes only and is not a legal document. Data maps contain errors. The seller and seller's agent are making known to all potential buyers that there may be variations between the location of the existing boundary lines and the legal description of the deeded property. Seller and seller's agent make no warranties with regard to the location of the boundary lines in relationship to the deeded property lines, nor does the Seller make any warranties or representations with regard to the specific acreage contained within the property lines. Seller is selling the property in an "as is" condition. Boundaries shown on the accompanying maps are approximate, based on county parcel data. The maps are not to scale. The accuracy of the maps is not guaranteed. Prospective buyers are encouraged to verify fence lines, deeded property lines and acreages using a licensed surveyor at their own expense.
