**PROPERTY DESCRIPTION**

Located in Jasper County along Calf Pen Bay Road, this 2,835 square foot custom home built in 2008 offers the ideal balance of space, privacy, and versatility. Situated on a slab foundation, the home features 4 bedrooms, 3 bathrooms, and a 2-car attached garage, with a layout designed for both comfortable living and future potential.

Inside, the home offers a spacious feel throughout with multiple living areas and room to spread out. Upstairs, two large unfinished flex rooms provide an excellent opportunity for expansion. With a separate exterior entrance on the side of the home, this space is perfectly suited for a private guest suite, rental opportunity, or multigenerational living setup.

The property is well-equipped for a variety of uses. A metal covered shed provides ample space for equipment or hay storage, while an additional outbuilding, already on a slab and dried in, is ready to be finished into a guest house or additional living quarters.

At the rear of the property, a stocked fish pond offers a peaceful setting and recreational opportunities right out your back door. The front of the property features open, grassy acreage ideal for pasture, making this a strong candidate for an equestrian setup or small farm.

The entire property is enclosed with a high chain link fence and gated entrance, offering privacy and security.

Conveniently located within an hour of Savannah, Beaufort, Bluffton, and Hilton Head Island, this property offers a rare combination of rural living with access to some of the Lowcountry's most sought-after destinations.

Whether you are looking for a private homestead, equestrian property, or a versatile country estate with room to grow, this property checks all the boxes.
