Clay 160
Woodland, MS / Clay County

PROPERTY DESCRIPTION

Outstanding 160± acre recreational and investment opportunity located in Clay County. This diverse property consists of two separate 80± acre tracts being sold together, offering excellent timber investment potential along with outstanding hunting and recreational use. One 80± acre tract features a naturally regenerated mix of pine and hardwood timber approximately 12-15 years old and includes valuable road frontage with water already on site and power available. The second 80± acre tract consists primarily of approximately 10-year-old naturally regenerated pine with scattered hardwood mix throughout and offers deeded easement access. With abundant deer and turkey habitat, growing timber stands, and multiple potential uses, this property is ideal for hunters, investors, outdoor enthusiasts, or those looking to secure a large tract of land in a desirable area of Mississippi. Priced to sell and affordably offered, this is a rare opportunity to own a well-balanced recreational and timber investment property with future income potential.

DISCLAIMERS

Information in this brochure is provided solely for information purposes and does not constitute an offer to sell or advertise real estate outside the states in which broker or agent licensed. The information presented has been obtained from sources deemed to be reliable, but is not guaranteed or warranted by the agent, broker, or the sellers of these properties. This offering is subject to errors, omissions, prior sale, price change, correction or withdrawal from the market without notice. All references to age, square footage, income, expenses, acreage, carrying capacity, and land classification, etc. are approximate. Prospective buyers are chargeable with and expected to conduct their own independent investigation of the information and the property and to rely only on those results. Sellers reserve the right to accept or reject any and all offers without liability to any buyer or cooperating broker.

Maps are provided for illustration purposes only, the accuracy is not warranted. Parcels on interactive maps are not adjusted to match aerial backgrounds. This information is for reference purposes only and is not a legal document. Data maps contain errors. The seller and seller's agent are making known to all potential buyers that there may be variations between the location of the existing fence lines and the legal description of the deeded property. Seller and seller's agent make no warranties with regard to the location of the fence lines in relationship to the deeded property lines, nor does the Seller make any warranties or representations with regard to the specific acreage contained within the fenced property lines. Seller is selling the property in an "as is" condition, which includes the location of the fences as they exist. Boundaries shown on the accompanying maps are approximate, based on county parcel data. The maps are not to scale. The accuracy of the maps is not guaranteed. Prospective buyers are encouraged to verify fence lines, deeded property lines and acreages using a licensed surveyor at their own expense.
