

An aerial photograph showing a large, dense forest of green trees. A yellow dashed line outlines an irregular boundary across the forest. The boundary starts in the upper left, goes diagonally down to the left, then curves around the bottom and right sides, and finally goes back up to the top left. The text "APPROXIMATE BOUNDARY (RELY ON SURVEY)" is written in yellow capital letters in the upper right portion of the forest. The background shows more forest and some open land in the distance.

APPROXIMATE BOUNDARY  
(RELY ON SURVEY)
