Privacy, Space & Value Focused

A rare opportunity on Lake Martin — **Castaway Cove** features 8.5 acres of waterfront with 328 feet along the lake and huge mature trees on gently rolling terrain that levels perfectly at the water. Most available lots on Lake Martin are much smaller yet priced similarly, making this property an exceptional value for those seeking room to stretch out, enjoy privacy, and experience true seclusion.

Tucked back in a quiet, protected cove with very little boat traffic, the setting offers privacy akin to a cul-de-sac. You can enjoy the land, water, and natural surroundings without feeling crowded by neighbors.

Now offered at a **new, significantly reduced price**, **Castaway Cove** provides an even greater opportunity to secure one of the largest tracts available in this highly desirable area. It's the perfect combination of space, seclusion, and convenience — just minutes from restaurants, marinas, and Chimney Rock, yet once you're on the property, you feel worlds away.

To schedule a tour of this beautiful property please call me, Eric Leisy, 334-657-6707.
