Bonifay, FL / Holmes County**

PROPERTY DESCRIPTION

This 340.62 acres +/- has over 2,000' of road frontage on Highway 177 north of Bonifay, FL and would make a great hunting tract, timber investment, or homesite.

The uplands on this tract are currently planted in young pine plantation that is growing and healthy. The majority of the property is in forested wetland and natural pine & hardwood forest along the edges. Timber value in these natural areas could be significant based on market forces. And the constant water sources provide a strong anchor for wildlife, include deer and ducks.

Power is at the boundary of the property along Hwy 177. The tract is just a few minutes from Bonifay, and could be used for a variety of purposes. Savvy investors may be able to capitalize on the ecologically important wetland acres by exploring conservation easement possibilities or mitigation banks.
