PROPERTY DESCRIPTION

This rural property is a great opportunity for anyone looking for a small tract to get away to the country and enjoy some peace and quiet. With plenty of road frontage, access is easy, and there are several good spots that could work well for a cabin or future homestead.

The land is a nice mix of hardwoods and pine, offering a nice place to hunt or just relax in the country. There are internal trails already in place, making it easy to get around the property on foot, ATV, or UTV.

Community water is available, and electricity is provided by Delta Electric EPA, so utilities are close by when you're ready to build. Whether you're looking for a weekend retreat, a place to spend time outdoors, or a simple spot to put down roots in the country, this property offers all of the above.
