PROPERTY DESCRIPTION

The Scott Bottom Tract is 25 acres +/- of land for sale in Perry County, Alabama. This is a great small hunting tract for someone looking to make their first land purchase, or would be a good addition for someone with land holdings nearby. The property is almost completely covered in timber, with a good natural mixture of hardwoods and pine. The terrain is rolling. The new owner can design an internal trail system and select food plot locations, or leave it as a natural stand of timber. The headwaters of Old Town Creek begin on this property, providing water for the wildlife. A powerline runs across the northeast corner of the tract. It could potentially be run west along the north boundary line to bring power to a camp site if desired. The land has dirt county road frontage along Scott Bottom Road. This is a good area for wildlife, and I jumped deer while walking the tract, and saw lots of sign of turkeys scratching. This is a very rural location for those looking for some peace and quiet in nature.
