## 12.5 Ac ± Coffee Co - County Road 514 Homesite

### New Brockton, AL / Coffee County

---

#### **PROPERTY DESCRIPTION**

Offered for sale is 12.58 wooded acres just outside of the New Brockton city limits! This property is an outstanding country home site with old growth pines & hardwood creek bottoms. Just a short drive to New Brockton, Enterprise, and Elba this property is situated in the heart of Coffee County. A new owner will get the convenience of being close to several towns, while still being far enough out in the country to go hunting when they walked off of the back porch.

Thorough inspections of the property have been completed by the current owners, a perc test was satisfactorily conducted in 2019, a water test was conducted on both creek beds in 2019 with no issues, and the high ground on the property is suitable for home construction. In addition to previous tests, there is power, water and gas running along county road 514.

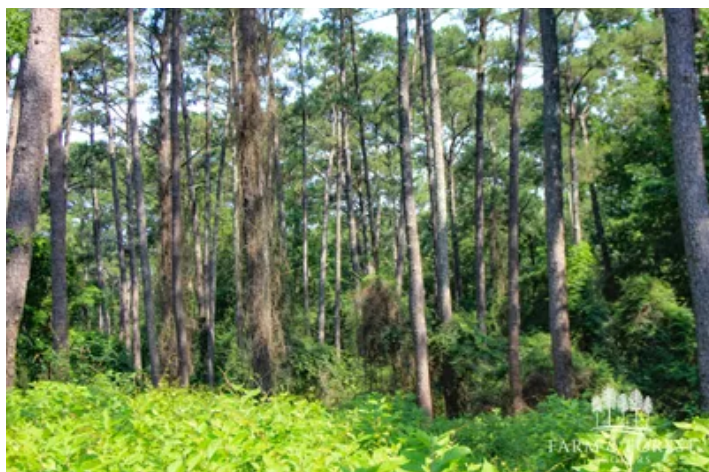

This home site is in a growing area with several new houses being constructed nearby, but the bulk of the surrounding acreage still remains farmland or timberland. There is plenty of wildlife sign on the property, white-tailed deer, eastern turkeys, and wild hogs are all found in numbers in this area of the county.

Of the 12.58 acres, there are approximately 3-4 acres of high ground suitable to build a home on, this portion of the tract lies 30-40 feet of elevation above the creek bottom and is centrally located inside the boundaries of the property with a thick wooded buffer on every side except the road frontage on the east.

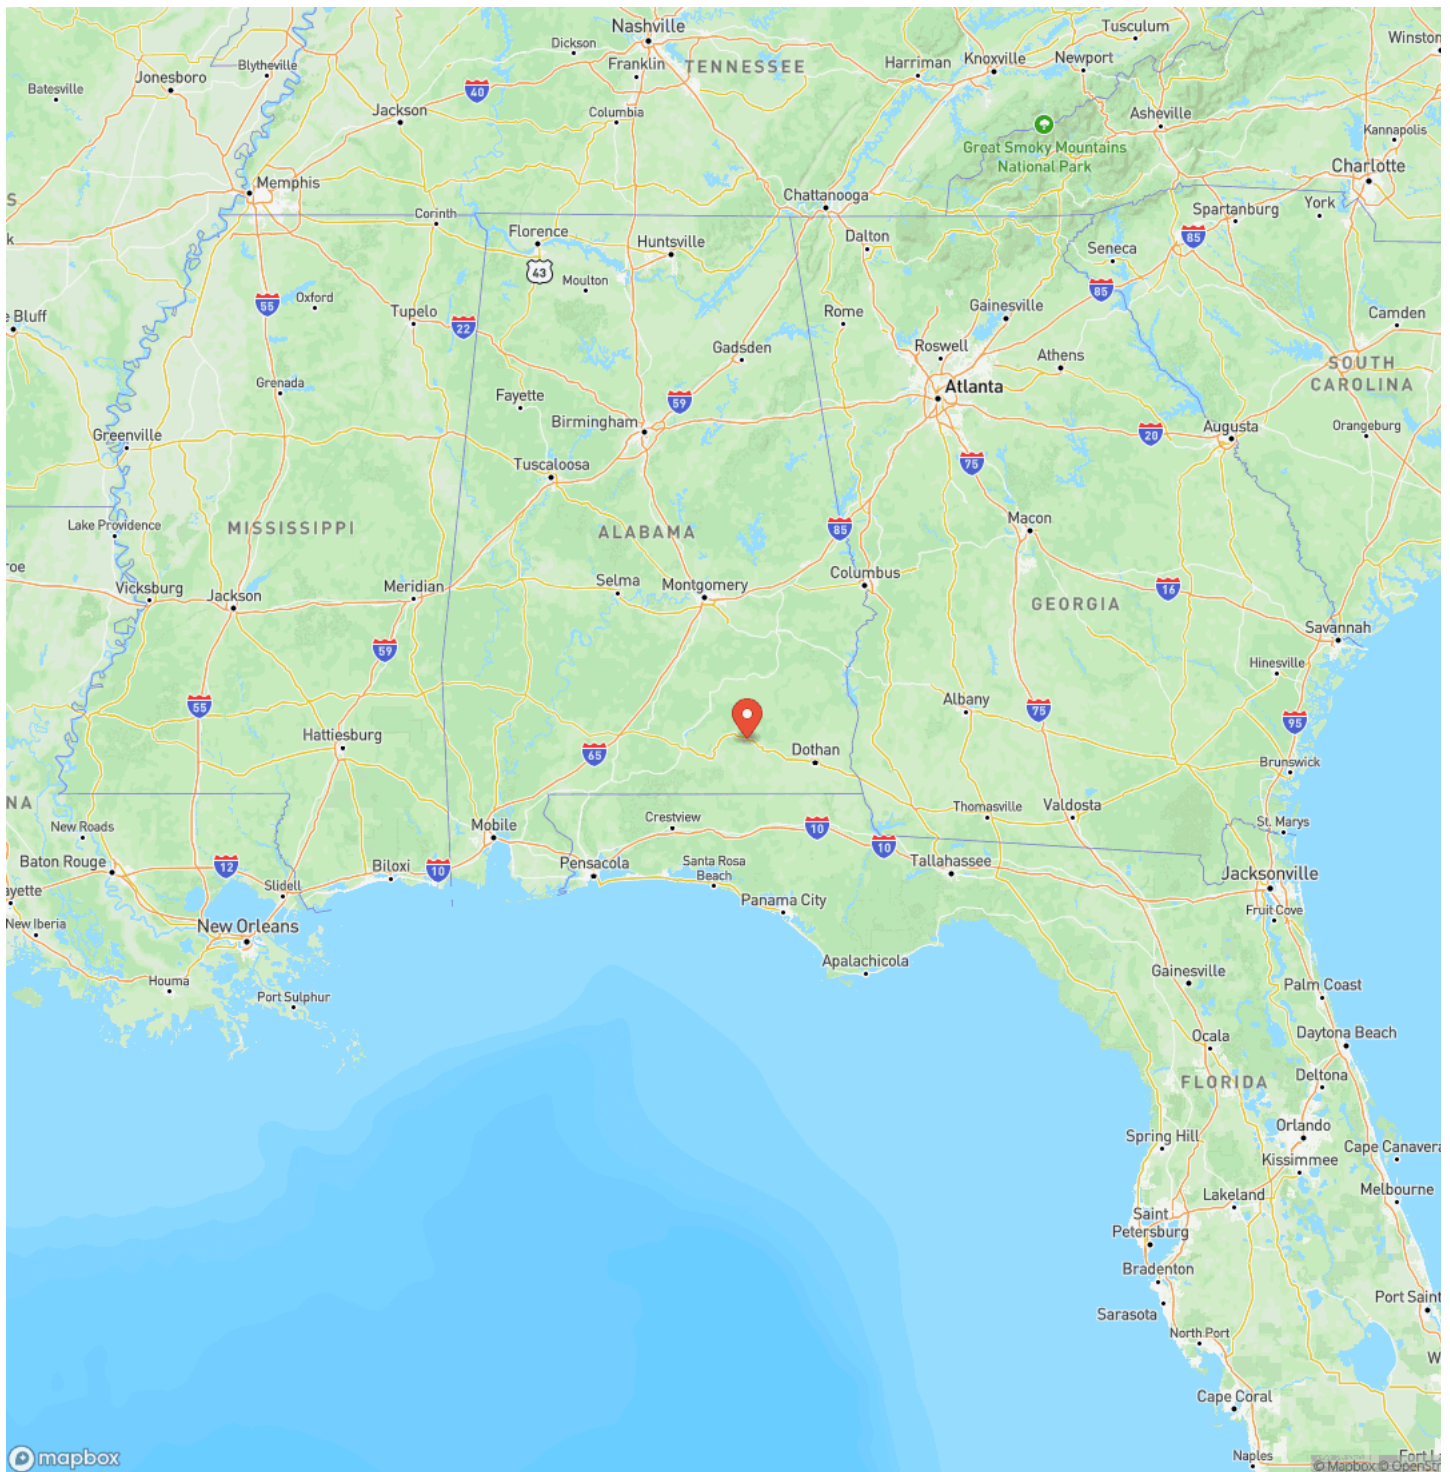

This is a very nice home site with lots of attractive features that cater to country living. If you have been looking for a place near the growing town of New Brockton with all of the accommodations of country living, you need to come take a look.
