Moccasin Creek Tract

Moccasin Creek flows through the property and is easily crossed on bridge timbers, this gives access to the eastern side by way of woods roads and trails.

Beautiful young hardwood stands offer spectacular deer hunting opportunities for the gun or bow hunter with plenty of cover.

Moccasin Creek Tract

Woods road gives access to the young pine timber growing for the future. A little extra work and you could have a couple of game plots.

A small trail winds through the forest to access the bridge to cross Moccasin Creek.
