**PROPERTY DESCRIPTION**

---

Just north of Antlers, Oklahoma, the "Deer Capital of the World," you will find 500+/- acres of incredible wildlife and recreational opportunity. This tract, situated in the Kiamichi Mountain range directly adjoins the 19,247 acre [Pushmataha WMA](#).

This area is very well known for its abundance of unique wildlife. From some of the largest black bears in the country, an encapsulated herd of elk, turkeys, bobwhite quail, a healthy herd of white tails and so much more, your time in these woods could surprise you with something different every day! Seemingly untouched nature surrounds you everywhere you look. The rolling mountain range surrounding this tract is breathtaking. Utilities are not present this far into the back country, so turn back time and live as our ancestors did before us. Accessed from two different directions, access is reliable most of the year.

Approximately 150 miles from the DFW Metroplex, 55 miles from Broken Bow, and 180 miles from Oklahoma City. Don't hesitate to reach out to learn more about this incredible tract of land.

## **DISCLAIMERS**

Information in this brochure is provided solely for information purposes and does not constitute an offer to sell or advertise real estate outside the states in which broker or agent licensed. The information presented has been obtained from sources deemed to be reliable, but is not guaranteed or warranted by the agent, broker, or the sellers of these properties. This offering is subject to errors, omissions, prior sale, price change, correction or withdrawal from the market without notice. All references to age, square footage, income, expenses, acreage, carrying capacity, and land classification, etc. are approximate. Prospective buyers are chargeable with and expected to conduct their own independent investigation of the information and the property and to rely only on those results. Sellers reserve the right to accept or reject any and all offers without liability to any buyer or cooperating broker.

Maps are provided for illustration purposes only, the accuracy is not warranted. Parcels on interactive maps are not adjusted to match aerial backgrounds. This information is for reference purposes only and is not a legal document. Data maps contain errors. The seller and seller's agent are making known to all potential buyers that there may be variations between the location of the existing fence lines and the legal description of the deeded property. Seller and seller's agent make no warranties with regard to the location of the fence lines in relationship to the deeded property lines, nor does the Seller make any warranties or representations with regard to the specific acreage contained within the fenced property lines. Seller is selling the property in an "as is" condition, which includes the location of the fences as they exist. Boundaries shown on the accompanying maps are approximate, based on county parcel data. The maps are not to scale. The accuracy of the maps is not guaranteed. Prospective buyers are encouraged to verify fence lines, deeded property lines and acreages using a licensed surveyor at their own expense.
