### **PROPERTY DESCRIPTION**

Northport 14 +/- acre Hardwood Homesite.

Great location just a few miles North of the city of Northport, AL located just off of HWY 171. The property has a homesite already established with a gravel road to the property, power is also already on site. The source of water is unknown at this time, but county water is located at HWY 171. There was previously a home on the property that has since been removed.

The homesite has a host of oak trees that makes for great shade or just for the aesthetics.

If you are looking for a property to build on and to just get out of town, this one checks all the boxes and is also still close to all the daily necessities.
