## **PROPERTY DESCRIPTION**

### **Sportsman's Paradise: 372 Acres of Unmatched Outdoor Excellence in Grady County**

Nestled within the heart of Grady County, this expansive 372-acre +/- property is a dream come true for outdoor enthusiasts and dedicated hunters alike. Aptly named "Sportsman's Paradise," this land offers an unparalleled experience with its diverse wildlife, meticulously maintained grounds, and picturesque rolling terrain. Whether you're an experienced hunter, a nature lover, or someone seeking a peaceful retreat away from the hustle and bustle of everyday life, this property delivers in every way imaginable.

### **A Hunter's Dream Come True**

From the moment you step onto this land, the sheer abundance of wildlife will captivate your senses. The property teems with white-tailed deer, hogs, quail, turkey, bobcats, squirrels, coyotes, and raccoons, making it a premier destination for hunting enthusiasts. In a single day of observation, over 40 deer were spotted roaming freely, underscoring the thriving game population. The property is thoughtfully outfitted with five high-rise enclosed blinds, each strategically placed to maximize your hunting opportunities. These blinds are designed for both comfort and function, allowing you to enjoy hours of observation and hunting in any weather condition.

One of these blinds stands out as a centerpiece of the property. Perched 30 feet above ground, it offers a commanding view of the landscape, providing breathtaking panoramic vistas that stretch as far as the eye can see. Whether you're watching the sunrise paint the horizon or observing wildlife in their natural habitat, this vantage point ensures an unforgettable experience.

### **Turnkey Hunting Setup**

This property is ready for immediate use, with every detail carefully curated for convenience and enjoyment. Game cameras, feeders, and blinds are included in the sale, making the transition seamless for the new owner. You can step onto the property and begin your adventure without the need for additional setup. The equipment provided ensures you have the tools necessary to make the most of your hunting season.

The land also features several cleared food plots, designed to attract and sustain wildlife throughout the year. These plots are strategically located to support game populations and enhance your hunting opportunities. Whether you're hunting deer in the fall or quail in the spring, the property's thoughtful design ensures optimal conditions for every season.

### **Accessibility and Infrastructure**

One of the standout features of this property is its exceptional accessibility. Meticulously cleared trails wind their way through the land, allowing you to easily navigate the terrain. Unlike many hunting properties that require an ATV or specialized vehicle, this land is designed so you can drive to any of the blinds in your truck. The trails are wide, well-maintained, and thoughtfully laid out to provide convenient access without disturbing the natural surroundings.

The rolling terrain adds an element of beauty and variety to the property, with gentle slopes and open spaces that invite exploration. Whether you're hiking, bird-watching, or simply enjoying the serenity of nature, the landscape offers endless opportunities for outdoor recreation.

### **A True Haven for Wildlife**

The property's diverse ecosystem is a testament to its careful stewardship. The combination of food plots, natural vegetation, and water sources creates an ideal environment for wildlife to thrive. This balance ensures a healthy and sustainable habitat, making it a haven not only for hunters but also for conservationists and nature enthusiasts.

For those who appreciate the finer details of wildlife management, this property offers an excellent foundation. The existing infrastructure, combined with the natural features of the land, provides endless possibilities for further enhancing the habitat. Whether you're looking to implement additional food plots, introduce supplemental feeding programs, or simply enjoy the property as it is, the potential is limitless.
