### **PROPERTY DESCRIPTION**

Welcome to Burnt Bridge Farm, a new rural land development with 6 different lot configurations, providing multiple homesite options and land uses. This beautiful property is now available for anyone dreaming of country living in the peaceful North Florida panhandle. Located in Liberty County, the property is less than an hour from the capital city, Tallahassee, and beautiful Gulf Coast beaches, recreation, shopping and dining. All lots have paved road frontage.

Burnt Bridge Farm East is 39.01 acres with paved road frontage along both CR-67 and Old Burnt Bridge Rd. This property is ideal for a large homestead with plenty of level, dry ground for a farmhouse, shop, barns, and more. The majority of the property (about 26 acres) is planted in young, fast-growing pine trees, with the rest of the land in natural hardwood, cypress and tupelo forest.

The planted pine trees are quickly maturing as a timber investment, but could easily be cleared for a homesite, pasture, food plots, garden or whatever your rural lifestyle requires. Road frontage on two sides allows for plenty of access options, and 40 acres gives lots of room for privacy and productive homesteading. Work the land, and then relax on your porch and watch the deer and turkey ease along the treeline. It doesn't get much better.

Give us a call today to schedule your tour of this beautiful property.
