**PROPERTY DESCRIPTION**

28.58 surveyed acres of mostly pasture and pond, with great build site areas and good hunting along the creek! Pull off of N 700th rd and the private lane takes you to the property, with the South Western point of the 4+- acre pond starting on the left and a cattle corral and cattle shed that could easily be turned into a horse stalls. You can drive around the pond and access the entire property, there are several beautiful places to build where the pond would be your front yard and the bottom and creek would be your back yard. We have some great trail cam pictures of bucks and there are several beautiful areas to make food plots. This could be a great homestead farm, grow a big garden, raise cattle, horses, goats, plant trees, hunt dove, quail, deer, turkey and catch fish in your pond. This is a great place with lots of potential. If you have questions contact one of the Legacy Land Co listing agents. This property isnt in any Govt programs and is listed at \$191,500.
