Jack, AL / Coffee County

PROPERTY DESCRIPTION

24 Ac ± Shady Grove Farm - Tract 2

This 24 acre farm is located in the Shady Grove community in North Coffee County. This farm features 11 acres ± of cultivatable land, a seasonal creek, more than 1,500' of paved road frontage on highway 87, with the balance of the acreage being a diverse mixture of natural timber.

This tract would make an excellent home place. The open acreage has several perfect sites for a home & barn/shop. The farm land was in production in 2024 but is not being farmed or leased in 2025; this acreage could be utilized as farm land to grow crops or produce, fenced in and converted to permanent pasture, or could be a homestead and used in several productive ways .

This property is located 3.7 miles south of the desirable Zion Chapel School. The size of this tract is perfect, you have woods to hunt, fields to farm, a great site to build in a good school system. This is a very nice farm in a desirable location. For more information or to schedule a showing contact Dalton Dalrymple or Calvin Perryman with Farm & Forest Brokers.
