480 Ac Blue Creek Central Recreational Timber Investment - Liberty Co., FL Hosford, FL / Liberty County

PROPERTY DESCRIPTION

Welcome to Blue Creek Timberlands CENTRAL!

This productive timberland property, located in Liberty County in the heart of the Florida Panhandle, offers a prime opportunity for timber investment and sustainable forestry management, and an abundance of recreational uses. The tract is 480 +/- acres, and contains a diverse mix of planted pine stands and natural hardwood and cypress stands, with miles of roads and trails for hunting, riding, and exploration. To make things even better, Blue Creek and its tributaries flow through the property creating incredible wildlife habitat and beautiful natural forests. This property is part of a larger 1,803-acre offering and is being sold separately.

The property features multiple age-classes of planted pine timber and natural forest, with creeks and hardwoods creating excellent wildlife habitat. Almost 300 acres of the property is currently in professionally-planted and managed planted pine plantation, growing income for the owner. Hunting in the area is excellent, and soils are well-suited to pine tree production. The property has frontage along paved SR-20 that runs between Tallahassee and Panama City, and power at the road.

The property offers excellent recreational opportunities, including:

- * Hunting: Abundant wildlife habitat for deer, turkey, and other game species.
- * Trail Riding: Plenty of well-established roads and trails wind throughout the property.
- * Hiking and nature: Diverse terrain and unique ecosystems will keep naturalists busy for a lifetime discovering all this property has to offer.

In addition to timber production, the property may offer potential for other revenue streams, such as:

- * Pine straw production: Harvesting pine straw from the slash pine stands for landscaping and erosion control purposes.
- * Carbon sequestration credits: Participating in carbon offset programs to generate revenue from the property's carbon storage capacity.
- * Various Leases: From hunting leases to apiary (honeybee) leases, there are plenty of uses for the land that could create additional income for the owner.

Please feel free to request additional information or schedule a property visit. We look forward to hearing from you.

NOTES

DISCLAIMERS

Information in this brochure is provided solely for information purposes and does not constitute an offer to sell or advertise real estate outside the states in which broker or agent is licensed. The information presented has been obtained from sources deemed to be reliable, but is not guaranteed or warranted by the agent, broker, or the sellers of these properties. This offering is subject to errors, omissions, prior sale, price change, correction or withdrawal from the market without notice. All references to age, square footage, income, expenses, acreage, carrying capacity, and land classification, etc. are derived from sources believed to be accurate, but are approximate. Prospective buyers are chargeable with and expected to conduct their own independent investigation of the information and the property and to rely only on those results. Sellers reserve the right to accept or reject any and all offers without liability to any buyer or cooperating broker.

Maps are provided for illustration purposes only, the accuracy is not warranted. Parcels on interactive maps are not adjusted to match aerial backgrounds. This information is for reference purposes only and is not a legal document. Data maps contain errors. The seller and seller's agent are making known to all potential buyers that there may be variations between the location of the existing boundary lines and the legal description of the deeded property. Seller and seller's agent make no warranties with regard to the location of the boundary lines in relationship to the deeded property lines, nor does the Seller make any warranties or representations with regard to the specific acreage contained within the property lines. Seller is selling the property in an "as is" condition. Boundaries shown on the accompanying maps are approximate, based on county parcel data. The maps are not to scale. The accuracy of the maps is not guaranteed. Prospective buyers are encouraged to verify fence lines, deeded property lines and acreages using a licensed surveyor at their own expense.
