### **Springer Creek Ranch**

350± Acres | Huntsville, Walker County, Texas Offered Exclusively by Walker Powell, ALC and HomeLand Properties, Inc. Tucked away at the end of a gated, 80-foot privately owned flag entrance off FM 1374, Springer Creek Ranch represents one of the finest turn-key legacy properties within an hour of The Woodlands. This stunning 350± acre ranch masterfully combines complete seclusion with remarkable convenience, placing you just 12 minutes from Sam Houston State University, 15 minutes from downtown Huntsville, and less than 50 minutes from The Woodlands and ExxonMobil campus via I-45.

### **Land & Water**

The ranch is predominantly improved and native pastures with scattered clusters of varying tree species and towering pines / hardwoods that provide shade for livestock and cover for wildlife. Robinson Creek, a clear, year-round live-water creek, meanders through the heart of the property and is accompanied by nine ponds of varying sizes. Several of these ponds were strategically enhanced years ago through a historic wetland's project featuring earthen levees and water-control structures, creating some of the finest duck habitat in the region. The result is consistent wildlife attraction, excellent recreational opportunity, and breathtaking views from multiple homesites.

Rolling topography, sandy loam soils, and abundant surface water allow the ranch to comfortably carry 80+ head of Longhorn cattle with room to spare, while still maintaining outstanding wildlife habitat.

### **Wildlife & Recreation**

Engineered from day one for the serious outdoorsman, Springer Creek Ranch is a proven producer of whitetail deer, feral hogs, dove, and waterfowl.
